Blind Honiton veteran to march at Cenotaph for Remembrance Sunday

A BLIND Second World War veteran from Honiton will be marching at the Cenotaph in London this Remembrance Sunday with the military charity Blind Veterans UK.

Ron Wyman, 90, strongly supports Remembrance Sunday events following his experiences in the Armed Forces and said he is thankful to Blind Veterans UK that he can now attend the national commemoration.

Ron (pictured left) will be marching at the Cenotaph in London on Sunday, November 13th with more than 100 other blind veterans, supported by Blind Veterans UK, the national charity for vision impaired ex-service men and women.

Ron joined the Army in 1942 and first trained with the Royal West Kents before becoming part of the Royal Army Ordnance Corps (RAOC). He was sent to India and attached to the Indian Army Ordnance Corps. Ron went on to serve as the PA to Major General of Ordnance and travelled around India until he left the Army in 1946 as a Sergeant.

After the Army, Ron worked for Racal, an electronics company making mobile phones and the parent company to Vodafone. He worked as a purchasing officer travelling around the country with large handsets to test the strength of signals, which he did until retirement.

Ron has been blind in his right eye since he was a boy due to an accident but he started to lose his sight in his left eye 10 years ago. He was diagnosed with age-related macular degeneration (ARMD), a leading cause in sight loss in older people.

Ron said: "I lost my sight quite gradually. At first I only had to give up driving but then I had to give up reading books and now I cannot even watch TV. I listen to TV quizzes now and I guess it's not too bad as there's not much good on anyway!"

Ron learned about Blind Veterans UK from a fellow veteran supported by the charity whilst playing boules. He started receiving free help and support from the charity in 2011 and has had training and equipment to enable him to live independently with sight loss.

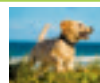

He said: "When you start going blind you don't realise what you're going to miss when your sight gets worse. I wasn't able to see pictures of my family but with the CCTV reader Blind Veterans UK provided I can enlarge the pictures on a screen so I see them once again – it's absolutely brilliant."

Ron also enjoys attending the local Blind Veterans UK lunch clubs in Sidmouth and last year went to

Children of the 40s reunited at village school

PETER HODGES
peter@viewnews.co.uk

THE South West Airfields Heritage Trust recreated a piece of history when it brought together two former class mates to recreate a 74-year-old school photo.

The trust reunited Mrs Blanch Loosemore (nee Smith) and Mrs Pam Adams (nee Mitchell) to stage the picture from their time at school in Smeatharpe when they were presented with a cup by the then Lady Sidmouth in 1942.

Chairman of South West Airfields Heritage Trust Brian Lane-Smith explained: "We recently met Blanch when we contacted her regarding her brother Phillip's war-time diary which my colleague Brian Fernley is now transcribing and

she was explaining that she went to school at Smeatharpe (where we have a centre).

"One of our friends and local supporters John Cornish had recently created a local history display in our Upottery Centre at Smeatharpe and my colleague Brian remembered that we had a photograph of the school and the children. So we showed her the photograph and lo and behold there was Blanch.

"Another colleague, Robin Gilbert, who created the photographic exhibition with Brian Fernley at the heritage centre, knew another of the children, Pam Adams (nee Mitchell). So the scene was set, and we all decided to invite Blanch and her husband Alwyn together with Pam to be re-united with the cup and the photograph and for a private visit

at the centre."

Blanch and Pam explained that the cup was awarded to the school for the children's efforts collecting waste paper to raise money for the war effort and were fascinated to see the picture of themselves that had been taken 74 years ago.

Mr Lane-Smith continued: "Many people think history is a dry subject but when you meet people who were alive and who can remember and talk to you about the history it really is something special."

Mr Lane-Smith added that the trust is also keen to speak to anyone else in the picture or anyone who can pass on their war time memories to the trust and he can be contacted on 07778 85 77 22

Following the visit, South West Airfields

Crash victims named

POLICE have released the names of the two people who died in a collision on the A358 at Tytherleigh on Monday October 17th.

They were Toni Sloman, 44, and her 17-year-old niece Micha Sloman, both from Axminster.

Police have also renewed an appeal for witnesses to the collision, which happened at about 3.30pm, or events leading up to it.

The collision involved a Citroën Xsara Picasso and a Ford Transit Luton van, the Citroën heading towards Axminster and the Ford Transit travelling in the opposite direction.

A police spokesperson said: "Two further passengers from the Citroën also suffered injuries and were both taken to hospital by air am-

bulance.

"A 39-year-old woman who was also injured and taken to hospital is now out of intensive care.

"A four-year-old child was also taken to hospital as a precaution and was later discharged.

"The 38-year-old driver of the Ford Transit suffered minor injuries but has since been released from hospital.

"The Serious Collision Investigation Team are appealing for witnesses and would like to hear from anyone who witnessed the collision, or who may have any information to help police with their investigation."

Those with information are asked to e-mail 101@dc.police.uk, quoting log number 438 for October 17th.

East Devon mourns district Alderman

TRIBUTES have been paid to East Devon District Council Honorary Alderman Dr Bill Waterworth who died recently.

Dr Waterworth, a former chairman of the council, was a councillor for East Devon for 16 years. He was elected in 1991 representing the Eden Vale ward until 2003 when boundary changes meant that his ward was then Coly Valley.

He served on a wide range of committees for the council and in many cases held positions of responsibility.

He was vice chairman of the ac-

'A man of dignity who will be greatly missed'

counts committee from 1997 to 2001, and vice chairman of the finance and personnel committee from 1995 until 2001 when he was elected committee chairman.

He was chairman of the council and chairman of the standards committee in 2002-2003 and was also chairman of the strategic overview committee in 2004-2005. Dr Waterworth also served on a number of sub committees, panels and forums including the rural aid/community fund panel and town enhancement grants sub committee.

He was a councillor who appreciated the importance of local involvement and grassroot funding and was renowned for his attention to detail - his work as chairman of the council's fees and charges task and finish forum was exceptional and still remembered.

On his retirement from East Devon District Council, Dr Waterworth was made Honorary Alderman in recognition of his eminent service.

Councillor Paul Diviani, Leader of East Devon District Council, said: "When I joined the council in 1999, Bill became my mentor and was not only brilliant at pointing out the pitfalls but also set the bar for courtesy and dry humour. His attention to detail was legendary and I miss him."

Councillor Stuart Hughes, Chairman of East Devon District Council, added: "Dr Waterworth will be remembered by both councillors and officers alike as a man of dignity, intelligence and integrity."

Dr Waterworth's funeral will be held on November 14th at St Andrews Church, Colyton at 1pm.

Controlled explosion at college

A CONTROLLED explosion was carried out at Honiton Community College last week.

In a statement, principal of Honiton Community College Glenn Smith explained what happened and the steps that the college took to ensure students' safety on November 3rd.

Mr Smith said: "Recently, the college was alerted to some new Health and Safety guidance regarding a chemical used in A-level chemistry. The new guidance required us to check the chemical to ensure that it had not deteriorated in any way. The Health and Safety guidance reassured us that we were keeping the chemicals under the correct conditions.

"However, on November 3rd, the inspection of one of the three pots of chemicals showed slight deterioration. As a consequence, the college followed protocol and contacted a Health and Safety Advisor who then recommended that we call the Police.

"On their visit to the site the police were happy with the conditions in which the chemical was kept to leave it in situ but did relay information to the Royal Navy Bomb Disposal Team.

"The team attended the college yesterday evening where upon they carried out a successful safe disposal of all three pots of the chemical. As a matter of fact, they have attended numerous similar cases in schools across the county and further afield.

"No one was at risk at any point and the college followed all Health and Safety guidance and all procedures given by the police and the Royal Navy Bomb Disposal Team.

"We would like to take the opportunity to praise our senior science technician Richmal Shorter for due diligence and professionalism throughout. It is reassuring for me, as principal of Honiton Community College, to know we have a school full of professional and dedicated people."

Acting Inspector of Police in East Devon, Matt Helm, took to Twitter following the incident explaining the situation: "Bomb disposal at Honiton Community College carried out a controlled explosion just now [November 3rd] as national safety guidance. We did not advise the public first so that we could maintain a safe cordon without lots of onlookers. Thanks for your understanding."

Honiton welcomes new Scout leader

HONITON Scouts has a new troop leader, who recently moved to the area and wanted to carry on her Scouting life.

Timandra Burford and her partner moved to Honiton from London over the summer and Timandra, who had been a Beaver leader in the capital for 10 years, decided to get involved with her local troop.

Timandra's children have also joined the group, with her son Nathaniel joining the Scouts and daughter Oriana joining the Cubs.

The trio (pictured) got straight to work last week by helping the group replant the planters on Dowell Street, a task the troop completes every year.

Timandra is the new Scout leader for anyone aged between 10 and a half and 14. The troop meets on Monday evenings between 6.30pm and 8pm at the Scout Hall in Dowell Street. If anyone would like to join the troop from January contact Helen Turner on 01404 831733.

both the Buckingham Palace Garden Party and the Westminster Abbey Service of Thanksgiving to celebrate the charity's centenary.

He added: "Blind Veterans UK is marvellous and I cannot praise them enough. They've helped me in so many ways that it was great celebrating 100 years of their great work at the two events last year."

Speaking on the opportunity to march in the national Remembrance Sunday commemorations, he continued: "This is the first time I'll be marching to the Cenotaph in London and I'm so grateful to Blind Veterans UK for making that possible. The war is so long ago now but I still recall what happened.

"So many people from the Armed Forces lost their lives fighting for our freedom and it's good to think about them and all they sacrificed."

This November coincides with the 100th anniversary of the end of the Battle of the Somme. Blind Veterans UK supported more than 250 blinded veterans who lost their sight at the Somme.

Chief Executive of Blind Veterans UK, Major General (Rtd) Nick Caplin CB says: "This year's Remembrance Sunday is particularly poignant as our delegation of current blind veterans remember those blinded at the Somme but also those who didn't make it back.

"Today, Blind Veterans UK supports more blind and vision-impaired veterans than ever before in the charity's history and we have set an ambitious target to double the number of veterans we support in the next five years."

Blind Veterans UK is the national charity for blind and vision-impaired ex-Service men and women, to help veterans discover life beyond sight loss. The charity estimates that there are currently 59,000 blind veterans that would be eligible to access its specialist support, most of whom are not currently aware of it.

If you served in the Armed Forces or did National Service and are now battling sight loss, call Blind Veterans UK on 0800 389 7979 or visit www.noonealone.org.uk

Local primary schools meet the Romans

PUPILS from Branscombe, Broadhembury and Farway Primary Schools have been studying the Roman invasion this term, and concluded their studies with a fantastic feast.

Pupils from The Jubilee Federation were visited by experts from the Royal Albert Memorial Museum who led activities associated with the Seaton

Down Hoard, which was discovered in the town in 2013.

The children took part in a question and answer session with a 'real' Roman, an archaeological dig and made their own Roman coins.

Pupils then dined on a sumptuous Roman feast, complete with stuffed dormice (pastry 'mice'

stuffed with sausage meat), spiced chicken legs, ricotta and honey tarts, Roman apple cake, bread and stuffed dates.

A spokesperson for the Jubilee Federation said: "The children were brave and tried a range of new foods whilst lying down to eat, just like the Ro-

mans did."

The Jubilee Federation consists of three primary schools who banded together to help maintain high standards in teaching and learning and enhance pupils' overall educational experience as well as strengthening their financial position.

PUPILS got to question a 'real life' Roman about what it was like in Devon 2,000 years ago

More than 400 objections to Hawkchurch power station

A PLANNING application to site a power station in Hawkchurch has received more than 400 objections.

Plans to build a 'gas fired energy reserve facility' in land off Stonebarrow Road is currently with planning officers at East Devon District Council and awaiting decision.

Stor Power Ltd submitted the application, which proposes a small scale energy reserve facility of up to 20 MW to support provision of local power demand.

They report that the proposed development will be predominantly housed within one main engine hall, which could have a maximum footprint of 45.5m x 20.5m.

Attached to the hall could be up to ten stacks, each 13m in height, which residents claim is higher than the church.

Residents have come out in force to object to the proposals – there are currently 420 individual objections listed on the East Devon District Council website – and have branded it "totally inappropriate" and "out of character with the area".

Denise Burton, a resident of Hawkchurch, said: "It has all been so hush-hush and nobody has been able to find out anything really about it. It has been done very underhandedly.

"The farmer [the owner of the field where the facility is going] knew from April that this was going

to happen, why weren't we told anything about it when it was considered?

"We had six days to put in our complaint, so the parish council managed to get it extended.

"How they can do that is beyond me. We have been here for 20 years and I don't know how those people could do it. We are their neighbours for goodness sake."

A number of other objections on the EDDC's planning site highlighted that the site is an Area of Outstanding Natural beauty (AONB), the height of the building would be detrimental to the landscape, the amount of noise from the facility that could affect residents, it is inconsistent with the local plan and that the village already has its fair share of renewable energy sources with solar farms in the area, as well as concerns it will contribute to heavier use of commercial vehicles at Hunters Lodge, a well-known accident blackspot.

Jon Antoniou, CEO of STOR Power Ltd, said: "Overall it is concluded that the proposed development is acceptable in planning terms and meets the government's objectives to ensure that the UK continues to support the transition to a low carbon economy and to have a safe, secure and reliable supply of electricity."

Rose's Story

A FORMER police officer has shared the inspirational story of how she transformed her life following an unprovoked attack.

Rose Brunce was living and working in the Midlands at the time. Despite being highly thought of in her profession, she was struggling to cope with her weight at 30 stones and other related health issues including diabetes and sleep apnoea.

One night, during a shift at work, Rose was brutally attacked by a group of four men, leaving her with a broken neck and a broken back. The attack left her paralysed from the neck down.

"Everything was taken from me," Rose said. "Because I was fat, the doctors simply could not risk operating on me because I would die – no one would take the risk."

Rose explained how she had totally given up and wanted to hide in the black hole that her attackers had put her in.

This all changed whilst she was in the hospital when Rose's son saw an article in a magazine about a man who lost 19 stones on the Cambridge Weight Plan.

Rose said that her son had so much determination and happiness when showing her the article that he spurred her on to try the weight loss plan.

Eleven months after starting Cambridge, Rose had shed 14 stones and was able to go through the surgery that led to her learning to walk again. This inspired Rose to become a consultant herself.

Rose then moved to the South West to rebuild her life, taking her Cambridge Weight Plan business with her to inspire and help others to lose weight and live a healthy and happy life.

Rose is now celebrating her ten years as a Cambridge consultant.

She added: "In the ten years I have introduced the Cambridge Weight Plan to the South West, I've worked in local hospitals fighting diabetes and provided safe weight-loss for clients needing joint or heart surgery.

"When I lost the weight, I also lost type two diabetes along with sleep apnoea – and I can walk. Like my son said, it can be done – without costing the NHS thousands."

This is ONLY a third of the weight Rose lost

Funding boost for gymnastics club

A LOCAL gymnastic club has received a boost after match funding from Wales & West Utilities has led to a donation of £300 which will go towards the cost of essential new equipment.

Honiton Gymnastics Club, which has recently moved from the local leisure centre to larger premises on Ottery Moor Lane, will use the money to help purchase new equipment so that elite gymnasts can train to the highest of standards and more provision can be provided for recreational members.

The fundraising appeal was led by Heather Bevis, who has worked as a logistic coordinator for

gas emergency and pipeline service Wales & West Utilities for over twenty years.

Heather is also a key member of the Supporters' Association at Honiton Gymnastics Club – which specialises in acrobatic gymnastics and her children both train at and compete for the club. Her son Mathew is currently the reigning British Age Group Champion in the men's 4 discipline.

Heather Bevis said: "As a club we have over 350 young people train at Honiton and we are always seeking to raise money which will go towards the cost of equipment and putting on events. These events can often involve gymnasts from across the UK descending on Honiton for national competitions, so you can imagine the scale and costs associated. We've also seen the club grow over the past few years and have recently moved to much larger premises and, of course, with that comes an increased need for equipment."

The match funding from Wales & West Utilities was donated after Heather raised £150 through a series of events including a 'jumble for tumble' clothing collection, cake sale and a BBQ and treasure hunt.

Heather continued: "We are very grateful for the money we have received from Wales & West Utilities and we hope that the new equipment will encourage more young people to benefit from activities at the club. Without a continued fundraising effort, we simply wouldn't be able to run to the same high standards – we are delighted that this money will help us further."

Wales & West Utilities People & Engagement Director Sarah Hopkins added: "We are committed to supporting the fundraising efforts of our colleagues. Heather and the team at the club are doing a fantastic job in raising money to help young people from across the local area experience sport. Our match-funding contribution seeks to make the money raised go further and we wish the club the very best of luck for the future."

600 at 'spooktacular' THG party

THELMA Hulbert Gallery in Honiton celebrated the national Museums at Night festival with a 'spooktacular' Halloween party.

The event attracted a staggering 600 visitors who enjoyed a fun-packed evening including art activities as well as food and music which coincided with the gallery's community exhibition People's Paolozzi.

Families cut out and created silhouette shadow puppets and made their own 'bat boxes'. Kids loved getting up close to stroke geckos, lizards, a skunk and even a 10 foot python from Exeter Exotics. There was also some scary face painting and children enjoyed exploring the garden for spooky treats.

■ CHILDREN got a look up close of several scary animals including lizards and snakes, at the THG's Halloween party

Angela Blackwell, THG Curator commented: "We were overwhelmed by how popular this event turned out to be. It really was a fantastic night. We are already looking forward to our Museums at Night party next May."

Skydive completes fundraising challenge

LEN Styles' magnificent fundraising challenge has been completed, after he finally undertook his delayed skydive.

Len, 79, took part in a triathlon and finished it off by skydiving last month, and has raised vital funds for Hospiscare in the process. Len's first attempt to skydive was hampered by poor weather and had to wait sev-

eral weeks after completing the initial triathlon.

Afterwards, Len commented: "The skydive was such an amazing feeling. Akin to being able to fly. Bursting through low cloud with the crack of the parachute deploying, the ensuing silence was such a contrast to the earlier roar of the 120mph dive. Whilst warming up for triathlon a

few weeks before, a lady who runs yoga sessions for Hospiscare users, spoke of the warmth and love among the care team there. I started the run with tears in my eyes, and though this was a crazy challenge it was so right to do, for the caring it would sustain. I learned that the £800-plus raised so far will cover two days at the hospice."

Bombed church artefact up for auction

AN intricately-carved boss from a Torquay church destroyed in a bombing raid in 1943 will be auctioned by Chilcotts of Honiton.

The boss – an ornamental carved decoration usually found in the beams or ribs of a church roof – was recovered from the debris of the Church of St Mary the Virgin, the parish church of St Marychurch, which was hit by a bomb on May 30th, 1943, with a tragic loss of life.

It is thought that the Luftwaffe carried out a raid after learning of the existence of an RAF Training Wing on Torquay seafront, leading to the destruction of the church. There are various theories about the tragedy; one is that during the raid an enemy plane was struck by anti-aircraft fire, it clipped the church spire and the bomb doors came open above the church. Another suggests that the church was simply a casualty as bombs rained down on the area.

Whatever the truth, the church was full of children attending Sun-

day School when the bombs hit. As many as 26 children and teachers were killed and the church was destroyed by fire; casualties might have been even worse, but seemingly some children had gone to the beach as it was a sunny day. Numbers of fatalities have never been confirmed, because while some children were from local families, others were orphans from a nearby children's home. In all, over 50 people were killed that day in Torquay.

Auctioneer Duncan Chilcott said: "From such horrific devastation, it is amazing that the boss from the church remained intact. It was brought to us by a nun whose parents gave it to her. The boss is made from oak, with beautiful carvings of grapes and vine

leaves, and is being treated with respect during its stay with us."

As the church, which had a Saxon font, was originally built around 1110 AD, the boss is likely to be of historical interest.

"It is very difficult to estimate the value, but we hope that this reminder of a very tragic piece of Torquay's history finds a home where it will be appreciated for its significance," added Duncan.

The boss will be sold in Chilcott's next Fine Art and Antiques sale in Honiton.

Honiton Junior Band celebrates funding

THE newly-formed Honiton Junior Band is celebrating being awarded £750 at a Dragons' Den-style event in the town.

The £750 – the maximum award available from Honiton Together funding – will go towards the costs of room hire, instruments and equipment for the junior section of the long-established Honiton Band. It was awarded by community vote at the Honiton Together Dragons' Den event on October 26th.

Honiton Junior Band was set up to provide affordable opportunities for local children to learn to read music, play a musical instrument and build their confidence through working together. It is also hoped that it will ensure the fu-

ture of a brass band in Honiton for many years to come.

E-flat bass player and Honiton Band committee member, Vernon Whitlock, led the presentation to the funding committee, assisted by three members of Honiton Junior Band who demonstrated the skills they have learned so far.

If you would like to find out more about Honiton Junior Band or learning a brass instrument, contact Honiton Band Secretary, Sharon Dibs-dall, on 01404 44763 or via email at secretary@honitonband.co.uk.

Take part in Christmas tree competition

ST Paul's Church will once again host its fantastic Christmas tree competition, and is encouraging local business to take part.

The event will run for the third time from December 8th to 11th and this year there will be several different music groups and instrumentalists providing live music over the four days.

A spokesperson for the Christmas Tree Committee said: "The aim of the celebration is to draw people together from different parts of the com-

munity and at the same time raise much needed funds for repairs to St Paul's Church. The event has proved very popular over the last two years and there are still a few places available for your business or organisation to supply and display a Christmas tree to reflect who you are."

If you would like to take part contact Julia Beaman on 01404 548709 or visit the church website office@honitoncofe.org to download the relevant forms.

Sunny Days celebrates their 1st Birthday in style!

Sunny Days Nursery in Honiton held a successful party recently, as it celebrated its one-year birthday.

There was plenty to do on the day including free access to the Playdome Facility as well as a fun filled show by special guest George the Magician. Every child went home with a goody bag, jam packed full of exciting items.

A spokesperson for the nursery said: "We would just like to say what a great success it was and how many new parents came for tours of the nursery and signed up as a result. We would like

to thank our parents for their continued support. The children had a fab time watching George the Magician and are still talking about the party now. We would like to also say that if they like and share our Playdome and Sunny Days Nursery facebook page we send out offers and details of future events such as our Christmas Party where the children and staff will be dressing up in party clothes and an open afternoon on December Friday 16th from 3pm to 6pm at Playdome. We will be having a disco and bubble machine and it is open for new nursery parents and children and older siblings are welcome to attend too."

The next open afternoon at the nursery is on November 17th from 1pm to 6pm and there will be free entry to Playdome for new nursery parents and children and tours will also be available. Parents will be able to talk to our manager Marie and meet the staff and discuss the nursery.

Sunny Days is keen to nurture the next generation of great minds in the world and help to set them on the road to fulfilling their potential. All staff are fully qualified and have a wealth of experience with children.

The nursery rooms are set up to meet individual age related needs. The Bambino Room is a specialist area designed for children up to the age of one, and the room contains a spacious play section and a separate sleep room. The Little Explorers room is for two-year-olds looking to take their first steps towards discovering new experiences, while the pre-school is for three to four-year-olds to enjoy. All the rooms are staffed by educators specialising in that particular age range and are light, bright, air conditioned and stuffed full of toys.

Sunny Days also offers an outdoor facility which contains a grass area for the children to experiment with gardening, as well as a quiet discovery section. The outdoor facility also has

an undercover section so that children can be active and learn outdoors in all weathers.

The nursery, which has been set up by April Edwards with the help of Marie Cooper (Nursery Manager) recognise the importance of fresh air and that some children prefer learning and playing outside. Sunny Days boasts a huge area for bikes, trikes and running around on a soft, brightly coloured surface.

Memory Cafe host coffee morning

■ THE Colyton, Colyford & District Memory Cafe held a fundraising coffee morning on Saturday. The event was held in Colyton Town Hall and included a wartime sing-along with members of Axe Valley Community Choir, as well as stalls selling cakes, home produce, plants, bric-a-brac and a raffle.

Record year for heritage centre

COLYTON Heritage Centre has now closed until Easter 2017 after a very successful summer season.

Once again the centre welcomed a record number of visitors – a total of 2,220, which was about five per cent up on last year's total of 2,113. Colyton Parish History Society, which runs the centre, would like to thank all volunteers who have provided a friendly and

informative welcome to visitors during the season.

The centre will open specially for Colyton Christmas Fayre on Wednesday, December 7th.

The final meeting of the year for Colyton Parish History Society will be on Wednesday, November 23rd at 7.30 pm in Colyton Town Hall, where Amyas Crump will talk about East Devon Railways.

Students win place at rocket science conference with astronaut Tim Peake

YEAR 12 Colyton Grammar School students Sam Gelling and Emeline Pearson have gained places at the 'Principia' conference at the University of Portsmouth, for their work in the Royal Horticultural Society's Rocket Science initiative.

Last year, schools in the UK received 120 seeds; 60 had been on the International Space Station with astronaut Tim Peake on his 'Principia' mission, and the other 60 had remained on Earth.

At Colyton, Sam and Emeline, both aged 16, assisted Year 9 students in growing, testing and recording the behaviour of the seeds before sending them off to be analysed by a team of biostatisticians.

Sam, from Sidmouth, and Emeline,

from Lymington (both pictured above), then took their work a step further by writing up their findings and researching similar studies. Their work was sent to the UK Space Agency which rewarded them with places at the Portsmouth Principia Conference in November.

They will present posters and models showing their project to a panel of judges, including astronaut Tim Peake, who will also be giving talks about his time in space.

Emeline said: "I'm really glad that I could be part of this new scientific experiment and am very much looking forward to going to the conference and maybe meeting Tim Peake himself."

From piglets to elephants: talk on animals encountered during bankruptcy procedures

MEMBERS of Axminster Phoenix Ladies Club thoroughly enjoyed a talk at a recent meeting by official receiver David Peet on his career throughout the country and his encounters with many animals with whom he came into contact during bankruptcy procedures.

These encounters varied from his time working in the Dales, including piglets, cattle, sheep, to working in London later in his career with cats found in fridges or cockroaches and rats in dirty kitchens.

Official receivers have unlimited powers when discharging a bankruptcy court order and, whilst most people accept the bad news as the letter of the law, occasionally some could become quite aggressive or even violent.

A cautionary warning from David was to never guarantee somebody's debt, as you could become liable if things go pear-shaped and you may have to underwrite the debt.

Sometimes pet shops had to be closed and animals removed and, in the case of farm animals, found alternative accommodation or be sent to slaughter.

Sadly, some owners leave a herd in appalling circumstances and urgent assistance has to be sought.

On a lighter note, David was asked to remove some lions from a zoo which would be put down if no alternative was found. Thankfully an animal dealer in Belgium came to the rescue.

Another animal rescued was a large elephant from a circus that went bankrupt that was saved from being shot when many people throughout the country raised money and

found Jumbo a good home for life.

After the talk, the treasurer took bookings for the Christmas shopping trip to Cribbs Causeway in November and for the Christmas lunch at the Victoria Hotel, Sidmouth, in December. Coaches have been booked for both outings.

The chairman minuted special thanks to the United Reform Church for the use of their hall over a number of years, particularly Tony Burt and Brian Barnes for their kind and invaluable assistance with heating the hall and providing screens for slides.

As from January 2017, the Phoenix Ladies will be meeting at the Senior Citizens Rooms.

Next month's speaker will be Jasmine Atkinson with a talk entitled "Wild Side of Exeter". Visitors always welcome.

Talk on 'The Winter Garden'

ON Wednesday, November 16th, Sally Gregson will be talking to Colyford & District Garden Society on "The Winter Garden".

She will give an introduction to some of the best winter plants and ideas for structure in the garden – what she describes as "the skeleton on which to clothe the garden for the rest of the year".

Sally has run Mill Cottage Plants near Wookey in Somerset for 25 years and specialises in hydrangeas and epimediums.

The meeting is at Colyton Peace Memorial Hall at the usual time of 7.30pm – members free, guests £2 as usual.

New networking group for all those in property market

OCTOBER saw the exciting launch of a new, monthly networking group in Lyme Regis.

The Devon and Dorset Investment Group (DDIG) has been set up by local property developers, Isabel Knight and Steve Colley, with the aim of creating an environment for meeting, educating, connecting and collaborating with other local people interested in or already involved in property investment and property development.

The first meeting (pictured) was very successful, with feedback received from participants describing it as "inspiring", "informative" and "thought provoking".

Isabel, from Seaton, and Steve, from Plymouth, have recently moved back to Devon after 15 years living in France, building and renovating apartments and chalets in the Alps around Chamonix. The idea for DDIG came about from their desire to meet and collaborate with other local people investing in property in the area, and the recognition that there are few other property networking groups in East Devon and West Dorset.

The monthly DDIG meetings will provide a great networking environment and the chance to learn about property investment and property development, exchange ideas and meet and connect with local experts able to help them fulfil their property aspirations.

Lyme Regis architectural consultant Jim Larcombe will co-host the meetings at Lyme Regis Football Club.

DDIG meetings will be open to everyone, no matter how much experience or property they have, as long as they are serious about becoming even more successful and willing to be inspired to take action.

The meetings will take place every third Tuesday of the month and each month there will be specific topics relevant to property investors, including updates on the local market and guest speakers who will share their expertise. There will be no one selling property at the meetings but there will be a chance to meet others

and share opportunities in the local area.

The property seminars will begin at 7pm with drinks and networking from 6pm. If networking is new to you don't worry, DDIG will make it easy and fun so that you can enjoy the positive effect of being with like-minded people and benefit from the practical aspect of tapping into advice, expertise and contacts that you wouldn't otherwise be able to get hold of.

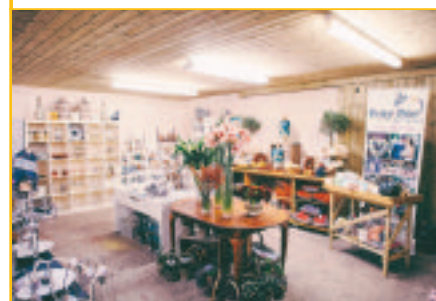

The next DDIG meeting will be held at Lyme Regis Football Club on Tuesday, November 15th from 6pm to 9pm. Add to your existing property investing knowledge and skills, save yourself, time, money and effort by learning from the experts and build up your personal contacts in the property world.

Jim and Steve will be talking about property development, the inspiring Christeun Gartman will share his story of getting into property with no money in, there will be another update from Peter Opie on finance options, and Isabel will speak on building your plan for success.

The meeting is free to attend and there will be tea and coffee available and a bar for those who want something stronger. For further details contact Heather Larcombe on heather@jimlarcombe.co.uk, call 07824 861 909 or visit www.espritproperty.co.uk

Historic buildings versus progress

■ **BUILDINGS** are listed for a good reason: to protect our heritage so that it is available to future generations. The George is a fine building with a notable history. People driving through Axminster are impressed by it, an imposing edifice standing as it does on its own roundabout.

It must be the second grandest building in the town, and is certainly not "an eyesore". It was also once a useful hostelry.

Pubs in Britain are closing at the rate of four a day. This is because buildings like the George are seen as easy pickings when it comes to making a lot of money out of selling them for conversion or redevelopment as private dwellings.

I wonder how many fine buildings have been allowed to deteriorate until someone says that it would cost too much to preserve them, so that gutting them with a change in use becomes the only solution.

I understand that The George has been allowed to deteriorate and that it would cost a significant amount to preserve it.

I wonder how much effort has gone into finding an enthusiastic and courageous enterprise which would save The George and turn it once more into a place for people to enjoy? There must be someone in the area with the means to do this.

Instead, de-listing is seen as a soft option and no doubt another block of flats will thus become available, probably beyond the financial reach of most town-dwellers.

I hope that EDDC will reject any application to de-list The George and that efforts will continue to find a solution which would preserve this great building.

RAY BRUNO,
Axminster

■ **READING** your excellent local paper, I was elated to read Devon County Council has made the long-overdue decision to buy Stoney Lane's eyesore and regular source of traffic jams, Green Lodge.

When this crumbling ruin of a house, which so protrudes into the lane, has been demolished and the necessary widening taken place, can this visionary council please direct its next attention to sorting another local eyesore and traffic nightmare, the sadly now-redundant-and-marooned George Hotel?

As a start, why not take down the 6ft-high stone wall that prevents Chard St traffic from emerging safely? Last month's news that East Devon District Council was looking into having the George Hotel's Grade II status removed was encouraging, but this initial move could take years and the council's compulsory purchase another lifetime.

Finally, one cannot but increasingly question, does Axminster have anyone at all responsible for its pedestrian safety and traffic management, in view of the dangerous official and unofficial parking and life-threatening pavements?

Axminster is rapidly becoming a town whose population is expanding monthly, yet so little town improvement is achieved. There is much in dire need of being managed efficiently (even our traffic signs are in need of a good scrub).

DM DULSON,
Axminster

Blackspot priority

■ **DOES** anyone know who has priority at one of our local blackspots?

Travelling west along the A35 from Raymond's Hill and taking the third turning to Axminster into Trafalgar Way – maybe not something most Axminster folk will do – who has priority?

Obviously the vehicles rushing down from Kilmington on the main road have first priority. But assuming a build up of traffic in Trafalgar Way wanting to travel west, and a few cars wanting to turn right across them lined up in the central reservation, who goes first? I suspect that I am not the only one who is a bit unsure, and very nasty incidents can ensue if we don't get it right.

Then, thinking this through, I realised that a similar junction exists at the western end of Bridport, also on the A35, and I have seen the remains of some nasty crashes there.

Please can we pool our road knowledge and help each other avoid further incidents?

Thanks from Musbury

■ **ON** behalf of the PCC of Musbury Church I would like to thank all the businesses in Musbury, Axminster, Seaton and Colyton for their very generous donations of items and promises for our silent auction this week. We made more than £1,600 which was absolutely fantastic and will help so much towards the maintenance of the Church and other expenses we have to find each month. We are grateful to many people for their support.

A303 update welcome

■ **THE** A303 update is much needed, well done to Devon County Council for proposing a low-cost improvement. It is good to read that our MP Sir Hugo Swire is enthusiastic and working for a full dual carriageway which is safer and will meet the needs of East Devon residents and business. Hopefully Mr Hammond will be as keen as Mr Osborne, who told me in May 2015 that he was keen to support the A303 and North Devon Link Road schemes.

East Devon depends on good roads, even those who never drive depend on them. It saddens me to read moaning letters in the local papers from people who clearly wish to keep the area as a backward beauty spot devoid of happy, successful families.

Like so many others I use the road and am only too aware of its congestion and hazards involved in driving towards Yeovil and London's airports and beyond.

We all must want to see the area benefit from sensible progress to ensure local employment opportunities for our school leavers.

Without the road improvements the area will be bypassed, resulting in East Devon becoming a congested and polluted backwater, in which goods and services will become more expensive and difficult to obtain.

The area experienced protests when the existing Exeter to Honiton road was made dual carriageway. It now has greatly enhanced the airport access and improved road safety, reducing the pollution which arises from slow-moving traffic. The road has already blended into the countryside and resulted in a tree-lined wildlife corridor, thanks to the imaginative planting scheme which replaced far more trees than were felled. Strangely some objectors still live locally and benefit from the road and its services every day.

Let us hope this time we can give the scheme the support required to help our MP fight for funding to obtain a safer road before anyone else suffers from the death toll of this dangerous and congested section of the A303.

Shoe box generosity

■ **I** WOULD like to thank the Headteacher, staff, pupils and families at Seaton Primary School for their incredible generosity last week: they filled, to overflowing, 43 shoeboxes and collected four extra cardboard boxes full of donations!

I support the refugee organisation 'Open Hearts Open Borders', based in Plymouth and the brain-child of an amazing woman called Faraday Fearnside. She motivates and co-ordinates people to donate funds, goods and time towards filling containers which are sent to Syria and Greece. Her latest appeal is for vegetarian food and baby essentials for Syria and the gift shoeboxes for women and children in the camps in Greece.

Kate McFarlane, Headteacher of Seaton Primary, chose to promote the gift boxes alongside the school's Harvest Festival celebrations.

If they require my assistance with their fundraising efforts in the future, they can be sure of my involvement in return!

Millers Farm Shop's festive 'marché'

MILLERS Farm Shop near Axminster is all set for the holiday season with a newly opened Christmas department.

The shop has Christmas all wrapped up with its selection of hampers (both made to order or made-up from what's in the shop), vegetable boxes, Christmas trees, holly wreaths and winter fuel (including coal, logs, kindling and gas). Meat orders are now being taken and gift vouchers are also available.

Also new to Millers this year is Busy Bee

Florist, so you can purchase your seasonal floral displays and gifts at the same time.

Millers is also the best place around for French wine and cheese. Owners Malcolm and Angela travel to France each week to scour the markets for a wide array of delicious French food and drink.

They sell a wide range of red, white and rose wines including several more specialised chateau labels.

Several times a year they host a wonderful French market where a huge range of regional produce is available.

Miller's Teapot Café serves fresh local coffee & tea, homemade cakes and treats along with a varied and seasonal menu.

Other treats include Miller's famous breakfast, bacon & sausage butties, toasts and curry on Fridays – all made using locally sourced produce.

And, of course, the usual selection of local cheeses, meats and produce remains on offer in the build-up to Christmas.

MOVEMBER

Stop men dying too young

Join the movement for men's health

OUR FATHERS, PARTNERS, BROTHERS AND FRIENDS FACE A HEALTH CRISIS THAT ISN'T BEING TALKED ABOUT. MEN ARE DYING TOO YOUNG. WE CAN'T AFFORD TO STAY SILENT.

THAT'S WHY WE'RE TAKING ACTION!

WE'RE the only charity tackling men's health on a global scale, year round. We're addressing some of the biggest health issues faced by men: prostate cancer, testicular cancer, and mental health and suicide prevention.

We know what works for men, and how to find and fund the most innovative research to have both a global and local impact. We're independent of government funding, so we can challenge the status quo and invest quicker in what works. In 13 years we've funded more than 1,200 men's health projects around the world.

OUR STRATEGY IS ALL ABOUT GOING WHERE MEN NEED US MOST: We know what works for men. We're transforming the way research into men's health is done, and the way health services reach and support men.

We don't take government funding, so we can challenge the status quo and invest quicker in what works.

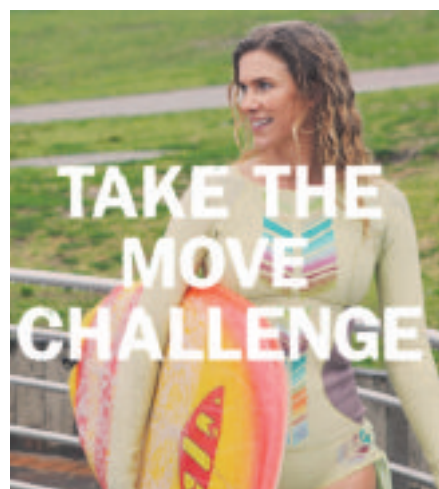

WE REPORT ON EVERY INITIATIVE WE FUND SO YOU CAN SEE THE EFFECT YOUR DONATIONS ARE HAVING: Thanks to the support of Mo Bros and Mo Sistas we've funded more than 1,200 projects saving and improving the lives of men all around the world. Since 2003, we've committed ourselves to helping men live happier, healthier, longer lives. Millions have joined us.

FROM 30 MOUSTACHES TO 5 MILLION, WE COULDN'T HAVE DONE IT WITHOUT YOU: From humble beginnings back in 2003 the Movember movement has grown to be a truly global one, inspiring support from over 5 million Mo Bros and Mo Sistas.

The Movember Foundation wouldn't be where it is without the enthusiasm of all of those men and women around the globe. We're committed to keeping things fresh, keeping the community informed, and always being transparent and accountable in our practices.

By 2030 we'll reduce the number of men dying prematurely by 25%.

Help us stop men dying too young. Join the movement.

OUR CAUSE: STOP MEN DYING TOO YOUNG

THE state of men's health is in crisis. Men experience worse longer-term health than women and die on average six years earlier. Prostate cancer rates will double in the next 15 years. Testicular cancer rates have already doubled in the last 50. Three quarters of suicides are men. Poor mental health leads to half a million men taking their own life every year. That's one every minute.

OUR FATHERS, PARTNERS, BROTHERS AND FRIENDS ARE FACING THIS HEALTH CRISIS AND IT'S NOT BEING TALKED ABOUT - WE CAN'T AFFORD TO STAY SILENT!

The Movember Foundation is uniquely placed to address the crisis at a global level. We're funding ground-breaking programmes all over the world, engaging with men where they are, to understand what works best, to help make change happen sooner.

Our goals are big, but the impact of doing nothing is bigger. We need to act.

What does this future look like? Half as many men dying from prostate and testicular cancer. Half as many men suffering serious side effects as a result of their treatment. A quarter fewer men dying from suicide.

WE'RE THE ONLY CHARITY TACKLING MEN'S HEALTH ON A GLOBAL SCALE: We're doing what others can't. We bring leading experts together from around the world to collaborate on solutions that will fundamentally change the way men are treated and supported.

We know what works for men. By focusing our efforts in three priority areas we ensure that each programme we fund is a step towards our vision for the future.

INNOVATING ON A GLOBAL SCALE: We cannot achieve our goals without building a movement with partners at all levels of government, research and civil society. This has to happen globally, with results shared across borders to extend our reach. We're creating innovative solutions, using new ideas and new technology to solve long-standing problems.

Read about our global programmes on our website: uk.movember.com

ENSURING FUNDING GOES WHERE IT'S NEEDED MOST: In addition to global initiatives, we fund a diverse range of country-specific and local programmes, always ensuring that knowledge gained is shared onwards.

We report on all the initiatives we fund to hold ourselves accountable and to ensure that we're always assessing the success of those initiatives, learning, and improving.

TRANSLATING KNOWLEDGE INTO ACTION: We make the most of research findings to accelerate new ideas into practice, share information and encourage other organisations to do the same.

HOW TO GROW A MO

- 1. BE PREPARED:** Before your first follicle appears, decide which moustache will grace your face.
- 2. BE BRAVE:** The first few days, even weeks, can be uncomfortable and a little awkward as your facial fuzz grows and your Mo takes shape.
- 3. IGNORE THE ITCHING:** Remind yourself that men have endured worse in the past; you can stand a little face tickle.
- 4. SHAPE YOUR MOUSTACHE USING PROPER GROOMING TECHNIQUES:** A great Mo comes down to grooming.
- 5. NURTURE IT AND KEEP IT CLEAN:** Look after your Mo, and your Mo will look after you.

"Three years after my diagnosis, I've enjoyed my first year of marriage, run my first marathon, realised my dream to become a firefighter, and now I'm expecting my first child in November. I'm determined to never take a day for granted."

WE'RE GOING TO WIN THE FIGHT

GLOBALLY, the rate of suicide is alarmingly high, particularly in men. Around the world, on average we lose a man to suicide every minute of every day. Three out of four suicides are men. Too many are toughing it out and struggling alone.

WE HAVE TO TAKE ACTION TO IMPROVE MENTAL HEALTH AND REDUCE THE RATE OF MALE SUICIDE.

We're working toward a world where men and boys take action to be mentally healthy and well, and are supported by their friends, family and community during tough times.

THIS IS WHAT WE'RE DOING ABOUT IT.

The causes of suicide are complex. There's no single reason why men take their own lives, but we do know that by improving overall mental health we can reduce the risk of suicide. We need to address untreated mental health conditions among men.

We're looking at mental health through a male lens, and taking action at a community level to find solutions that work for men.

HOW WE'RE GOING TO WIN THE FIGHT

1. EDUCATION

Helping men and boys to stay mentally healthy, build strong social connections and take action early when times are tough.

2. CONVERSATIONS THAT MATTER

Working toward a world where men and boys are comfortable having conversations about the big things in life.

3. SERVICES THAT WORK FOR MEN

We know the needs of men, and we're working to make sure that services are designed with those needs in mind.

4. BRIGHT MINDS, BROUGHT TOGETHER

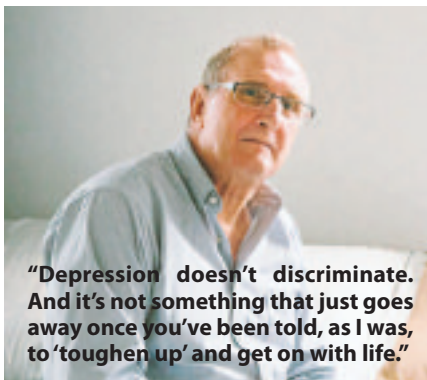

We're funding the most innovative projects, and when we know something works, we share that knowledge globally.

5. COMMUNITY FIRST

Men need to be able to access support in their communities and where they're comfortable. There's no one-size-fits-all solution.

6. ADVOCATING FOR ALL MEN

We're forcing governments to understand the issues that men are facing, and we're demanding action.

"Depression doesn't discriminate. And it's not something that just goes away once you've been told, as I was, to 'toughen up' and get on with life."

"Telling my story made me realise the power that sharing experiences and just talking can have for people who are struggling."

Mist and magic

THE MISTS, magic and mysticism of the Isle of Avalon take centre stage at a new exhibition opening at Ilminster Arts Centre on Monday, October 31st. 'Made in Glastonbury' is a collective of six artists who are based in the historic Somerset town and who are inspired by the beauty and spirituality of the area.

Wildlife artist Sue Allen draws on a love of local flora and fauna to create her distinctive paintings; Sue works in different media, her favourite combination being pastel and ink. Ukrainian born artist Yulia Allen meanwhile has a passion for painting on silk, drawing on a wide range of time periods and styles to create unique works that she often makes into decorative items such as pillows.

Jan Billings has lived on the slopes of Glastonbury Tor for the past 25 years. She has painted the Tor in all its moods but her current work incorporates her affinity with the sea and the local landscape into multi media mosaics, using natural materials such as shells, slate, beach glass, and gemstones.

Ceramic artist Casey Jon has also lived on the slopes of the Tor for many years, drawing inspiration from the nature around her. "I love to bring beauty into all practical things" Casey says, "my bowls often find glass dancing within them, while wild hares and roaring stags sometimes meander onto my creations."

Kate Dimambro is known for her vibrant and imaginative use of acrylic paints; she enjoys painting

subjects that are, in her words, "a bit different", turning to her travels, as well as fables and legends for her source material.

Stephen Spraggon is a self-taught photographer who has captured many of Somerset's most beautiful landmarks. His images are the result of meticulous advance planning, and Stephen often returns to a spot several times to capture the best light and conditions.

Through their different approaches these six artists capture the timeless essence of very special corner of Somerset.

'Made in Glastonbury' is open at Ilminster Arts Centre at the Meeting House until Saturday, November 26th, Monday to Friday, 9.30am-4.30pm, Saturday 9.30am-2.30pm, and admission is free.

Folk legend Peter Knight's Gigspanner to play The Beehive

SINCE his departure from folk-rock pioneers Steeleye Span at the end of 2013, legendary fiddle player Peter Knight has turned his full attention to his trio Gigspanner, and in the process has firmly established their burgeoning reputation as one of the most innovative acts on the folk/roots scene, garnering along the way a reputation for dismantling traditional music and song and reassembling it in an intriguing, imaginative and beautiful way.

Whilst traditional music forms the bedrock of the trio's repertoire, it is the approach that sets it apart...leaving enough space within the arrangements to spread and stretch the music in the moment.

The stretching of the music to embrace other influences is what makes it appealing not only to lovers of folk music, but to anyone who has an appreciation of beautiful and inspiring music.

2016 was a fantastic year for the trio, with Peter receiving Fatea Magazine's 'Instrumentalist of the Year' Award and also the 'Best Mu-

sician' in the inaugural folking.com Awards as voted for by the concert going public.

In April, Gigspanner were invited by BBC Radio 3 to perform at the Shakespeare 400 Celebrations in Stratford-upon-Avon as part of the 'Shakespeare and Music' concert, hosted by Verity Sharp.

Their 2015 album 'Layers of Ages' has featured on several 'Album of the Year'

listings including The Telegraph, R2 magazine, and BBC Radio.

Peter is joined by Roger Flack on guitar and Vincent Salzfaas on Percussion, both of whom are powerful and intelligent musicians in their own right.

Peter Knight's Gigspanner play at The Beehive, Honiton on Saturday, November 26th, with doors opening 7pm. Tickets are £15, available by calling 01404 384050.

Arts Centre's Christmas curtain raiser

AS PART of Ilminster's Victorian Evening festivities on Friday, November 18th, the Arts Centre is inviting visitors to come along and savour delicious homemade mince pies and warming mulled wine after watching the Christmas lights switch-on.

The sociable ambience of the Meeting House is the ideal place to rendezvous with friends and family after you've 'done the town', as well as browse and buy unique, handmade Christmas gifts from the Craft Shop.

There will be fine art to admire in the Gallery, courtesy of the talented artists from the Made in Glastonbury group, whose exhibition of the same name runs until November 26th. The Gallery Café will also be serving tea, coffee and cakes so there will be a good choice of refreshments available for hungry visitors.

Victorian Evening is one of the most eagerly anticipated dates on the Ilminster town calendar – come enjoy the festive fun at the Arts Centre, from 6pm onwards. Entry is free!

Full Steam ahead for jazz night

THE CITY Steam Jazz Band will play the next Jazz Night at the Tuckers in Dalwood this Saturday, November 12th.

City Steam plays an eclectic mix of jazz, largely from the 1920s and 30s, with a style rooted in the

songs, rags and marches of New Orleans. Its repertoire also reflects the variety of musical tastes of the band members by including later jazz songs, ballads and dance tunes as well as more modern rocking blues and numbers with a lively Latin feel.

The band consists of Dave Martin on cornet & vocals, Mike Lancaster on trombone, Steve Cockett on reeds, Tim Walker on bass, Chris Stockings on drums, and Pete Miller on banjo and guitar.

This is a very lively and entertaining band and for those of you who love the more traditional style of jazz – you won't be disappointed! Tickets are £8 and music starts at 8pm at The Tuckers Arms, Dalwood, EX13 7EG, near Axminster.

Axminster Choral Society to perform Alexander's Feast

THE AXMINSTER and District Choral Society will perform Handel's 'Alexander's Feast' in the Minster on Saturday, November 19th at 7.30pm.

The choir of more than eighty singers has been rehearsing since early September under its Director of Music Peter Parshall. The performance will be conducted by Associate Music Director Judy Martin.

The society is pleased to welcome back three established and talented young local soloists who were well received by an appreciative audiences in corresponding events over the past two years.

Chloe Stratta (soprano) graduated with a first class degree from Manchester University. She has performed in oratorio, opera and recitals; in particular working as a soprano soloist in the South West. Her solo concert repertoire includes Handel's *Messiah*, Mendelssohn's *Elijah*, Brahms' *Ein Deutsches Requiem*, Faure's *Requiem*, Vivaldi's *Gloria* and Haydn's *Nelson Mass*, in Exeter Cathedral.

Michael Graham (25) is the Director of Chapel Music at Exeter Cathedral and Director of Budleigh Salterton Male Voice Choir. His solo singing performances include Han-

del's *Messiah*, Mendelssohn's *Elijah* and Haydn's *Creation*

Julian Rippon (baritone) is in constant demand as a soloist around the South West, performing in a wide range of choral and operatic works with many of the foremost groups in the region. He is a full-time member of Exeter Cathedral Choir and a Japanese translator.

Alexander's Feast, also known as 'The Power of Music' is a beautiful and dramatic choral work, which was composed in 1736 in honour of St Cecilia, the patron saint of music. It describes a banquet held by Alexander the Great and his mistress Thaïs in the captured Persian city of Persepolis, during which the musician Timotheus sings and plays his lyre, arousing various moods in Alexander until he is finally incited to burn the city down in revenge for his dead Greek soldiers.

The piece was a great success and it encouraged Handel to make the transition from writing Italian operas to English choral works such as the famous *Messiah*.

Tickets will be £12 and £15 from Archway Books, Church Street, Axminster or phone 01404 881838 or members of the choir.

Classical duo to close Concerts In The West 2016 season in style

FOR THE final concerts of the 2016 season, November 17th–19th, Concerts in the West is delighted to welcome an exceptional musical combination – the brilliant flautist Emma Halnan, and her long term accompanist Daniel King Smith, with whom she has been playing since 2008.

Emma Halnan first hit the spotlight in 2010 when she won the woodwind category of the BBC's Young Musician of the Year. She followed this auspicious start by being broadcast on BBC Radio 2's Friday Night is Music Night as soloist with the BBC Concert Orchestra.

Since then she has appeared as concerto soloist with the European Union Chamber Orchestra, London Mozart Players and the Welsh Sinfonia. This year she has won the Sir Karl Jenkins/Arts Club Classical Music Award in association with Classic FM. Emma is currently principal flute of the European Union Youth Orchestra and recently performed as guest principal of the BBC Scottish Symphony Orchestra.

Daniel King Smith is a highly

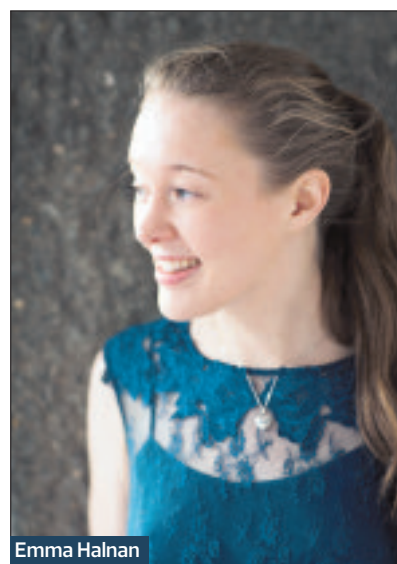

regarded solo pianist and accompanist who has performed extensively around the UK and Europe. He has featured on BBC Radio 3 and BBC Radio Ulster and won prizes for his chamber music as well as his all-round musical ability at the Royal Academy of Music, where he studied.

The musical programme for the concerts includes: Harty In Ireland; JS Bach Sonata In C Major, BWV 1033; Messiaen Le Merle Noir; York Bowen Sonata For Flute And Piano; Copland; Duo For Flute And Piano; Boulanger Nocturne; Schubert Introduction And Variations On 'Trockne Blumen'; Mike Mower Doodle & Flight.

For the Bridport concert only: Harty, Bach, Boulanger, Schubert and Mower.

Emma Halnan and Daniel King Smith play at Bridport Arts Centre, South Street on Friday, November 18th 11am–12pm. Tickets are £10 (concessions available), from the box office on 01308 424204 - Coffee included, town parking and car parks, Bridport Arts Centre café, disabled access.

Heads Will Roll

HEADS WILL ROLL is a dark epic comedy about delusion, vanity, and the corruption of power from the insatiably curious Told by an Idiot. Inspired by the myth of El Dorado - the fantastical city where rivers ran with gold - Heads Will Roll explores the quests we carry throughout our lives, even if our goals are out of reach.

A golden man wades into a lake and disappears, searching for forgiveness.

A BBC TV executive flushes money down the toilet in her desperate quest for soap opera ratings.

A Spanish conquistador crashes through the jungle convinced he will find a city where rivers run with gold. Heads Will Roll draws from a variety of sources including the extraordinary films of Herzog, the magic of Shakespeare's late plays, and one particularly doomed BBC soap opera.

Featuring an international, all-female cast, the production premieres at Theatre Royal Plymouth before dates at Birmingham Rep, Liverpool Everyman, and a rural tour connecting Told by an Idiot with audiences in small-scale venues and village halls across Devon and Dorset.

"I was excited by the potential of the myth of El Dorado and the elements of folly and failure this fateful quest entailed. It is proving particularly rewarding to work with an all-female company to explore such typically male themes of pride and hubris. We are thrilled

to be taking the show on our first rural tour in recent years, to connect directly with audiences in such intimate settings, and to share our work with people that may not usually have the opportunity to see it." Paul Hunter, Told by an Idiot's co-Founder/Artistic Director and Director of *Heads Will Roll*.

The show's cast is Mercè Ribot and Patricia Rodríguez (who met on a Told by an Idiot workshop and went on to form Little Soldier, acclaimed for its recent production of *Don Quixote*), performer and composer Alicia Martel, one of Barcelona's most unique musicians (who performed in Told by an Idiot's Get Happy at the Barbican, 2015) and Colombian-born performer and choreographer Andrea Pelaez. Paul Hunter directs, assisted by Puppetry Consultant and Assistant Director Alumdena Adalia (founder of puppetry company Around the Glove). Design is by Associate Idiot, Michael Vale.

Heads Will Roll continues Told by an Idiot's relationship with Theatre Royal Plymouth following co-productions *My Perfect Mind*, *And the Horse You Rode in On* and *The Fahrenheit Twins*.

Heads Will Roll comes to Talaton Parish Hall (£12) on November 18th, The Marine Theatre in Lyme Regis (£12/£10) on November 23rd, and Bridport Arts Centre (£12/£10) on November 25th. For more details and to book see the advert below.

Pulman's Property View

5 TIPS FOR MULTI-GENERATIONAL HOMES

By Julia Gray, Press Association

1. It's important to think through all your family's needs when adapting and expanding your home, because doing the wrong home improvements can be an expensive mistake. I know a couple, for example, who are trying to force their starter home into being a family home now that they have three children. They've converted the loft into a bedroom and built a home office in the back garden, but the office takes up half the garden and the house is top heavy, with too many bedrooms for the amount of living space downstairs. They've spent a lot of money, but not necessarily on the right home improvements - or the right house.

▲ PA Photo/thinkstockphotos.

2. Open-plan living space (usually a kitchen-diner/family room) is what most families want because it's great for entertaining and enables everyone to be together, but doing different things if they want. The key to successful open-plan space is to divide it into different 'zones', so you have clearly defined areas for cooking, dining, sitting, studying, etc. Open-plan kitchen-diners/family rooms are often achieved by knocking two or more rooms into one and adding a ground-floor extension, which isn't cheap but can be a lifesaver in busy multi-generational homes. Separating living space, such as a more formal sitting room away from the hustle and bustle of family life, can also be ideal for some family members.

3. If you have three or more generations living under one roof, dividing up the house horizontally for sleeping is often the best solution. Having mum and dad in a loft conversion with an ensuite, the kids on the first floor with the family bathroom, and the grandparents on the ground floor with a bathroom, shower room or wet room, is a great arrangement, if there's enough

▲ PA Photo/thinkstockphotos.

space. Loft conversions can be done successfully in all sorts of homes, but finding space for a ground-floor bedroom and bathroom, shower room or wet room can be more of a challenge.

4. A downstairs cloakroom, comprising a toilet and basin, is a must in family homes, and sometimes even a small cloakroom can be turned into a shower room or wet room for elderly family members who struggle to get up the stairs. When the cloakroom is too tiny for a shower tray, opt for a wet room, where the whole room effectively becomes the shower tray. The only problem is that wet rooms can be expensive because of the waterproofing and tiling involved.

5. Many homes have a separate loo and bathroom. This is a dated layout, but can work better in multi-generational homes than knocking the two rooms together, because a separate loo can still be used when someone's in the bathroom. Separate loos rarely have basins, though, so fitting a small one, such as the Wickes Mode Compact Vanity Unit with Basin (£200, Wickes), is a really good idea. Nothing can lead to family tensions more than queues for the loo or shower, especially when everyone's getting ready at the same time, so getting the plumbing right can go a long way to creating multi-generational harmony.

PRODUCT OF THE WEEK

Lots of surfaces need to be primed before being painted, as this helps the topcoat adhere. Primer can also stop the surface being too absorbent and makes shiny surfaces matte. If you don't want to buy lots of different primers, Ronseal All Surface Primer & Undercoat Exterior (from £9.97 with free delivery, Amazon) is ideal because it can be used on stone, wood, brick, terracotta and most metals. It needs a really good stir before you use it, but dries quickly so you can crack on with the job, and it's guaranteed to make the topcoat last longer.

▲ PA Photo/thinkstockphotos.

HOW-TO TIP
Once the tin's opened, oil-based paints soon develop a visible 'skin' on top, so make sure you remove it before stirring the paint or you'll get bits in it, which is very annoying when you use it. A similar thing can happen with water-based paints, although you won't be able to see the skin. Keep the lid on tightly as much as possible and a skin shouldn't form, but if it does and the paint's full of bits, try straining it.

Give your advertising an unfair advantage. Run some press ads.

The effectiveness consultancy Benchmarking have analysed what happens when companies include press advertising in their media mix.

They looked at 500 econometric models, across a five-year period and discovered that adding newspapers dramatically increases the return on investment of other media.

Over half were service companies who saw the effectiveness of their TV advertising double, ROI of their overall campaigns treble and their online digital display enjoy a four-fold increase.

Individual categories also saw impressive results.

Automotive campaigns clocked a 70% increase. In travel, effectiveness trebled. In retail it leapt by 2.8 times. And most remarkable of all, in the financial category, Benchmarking uncovered an increase of 5.7 times.

So, whatever business you are in, you should be in the newspapers.

Vauxhall reveals new model offensive in ‘five-star’ year

VAUXHALL is set for a ground-breaking 2017, with a total of five major product launches that will add further variety to its range – already one of the largest in the UK – while at the same time entering new market segments.

Crucially, as well as the introduction of range-building derivatives, Vauxhall will bolster its credentials by offering a compelling alternative to ‘premium’ models in the D–sector with the all new Insignia Grand Sport, while also growing volume still further in the SUV/crossover class with not one, but two new models.

‘2017 will be a landmark year for Vauxhall,’ said Rory Harvey, Chair-

man and Managing Director. ‘Our portfolio will grow, for sure, but it’s the quality and innovation which underpins our new products that will surprise customers. The Insignia Grand Sport will force buyers to reassess how they perceive our brand, and later in the year our two crossover offerings will bring Vauxhall to, in many cases, completely new sets of buyers.’

Vauxhall’s Five Stars of 2017:

1. The new Insignia Grand Sport will be the new flagship product of Vauxhall’s range. Despite being a large and practical five-door hatchback, it will have a coupe-like silhouette, huge driver appeal and a

class-leading all-wheel-drive system. Existing model still leads the mainstream D–sector in the UK, but Grand Sport is set to challenge premium rivals.

2. Hot on its heels will be the new Insignia Sports Tourer, taking many of its design cues from the 2013’s visionary Monza Concept. Compared with the existing model, interior space has increased significantly, especially in the rear cabin and luggage area, but not at the expense of its design, which is lithe and rakish.
3. Completing the new Insignia range next year will be a Country Tourer model, complete with all-wheel-drive as standard and off-road looks. A genuine multi-task vehicle.
4. Vauxhall’s recently launched Mokka X will be joined by the new Crossland X at the start of next year. The exciting crossover will appeal to buyers with families who demand agility and convenience in urban driving, but with enough comfort and performance to cover long distances at the drop of a hat.
5. Completing Vauxhall’s SUV/crossover family in 2017 will be a new C–segment crossover, similar in size to the Astra and Zafira Tourer, and with an especially sporty design.

Get your car winter ready with MG Motor UK

WITH the nights closing in, temperatures dropping and driving conditions worsening every day, it’s important to ensure your car is ready for the colder weather. To give drivers complete peace of mind, MG Motor UK has launched a complimentary vehicle health check (VHC) programme* across its national dealer network.

The 16–point visual inspection, available via any MG Authorised Repairer, will review key vehicle components to ensure the highest levels of winter road safety and driving performance. From clutch and brake feel to driveshaft operation, battery condition and exposed belt use, the step–by–step check will clearly indicate if any servicing or repair work needs to be immediately undertaken.

Fluid levels – including engine oil – will also be checked, alongside the wear of windscreen

wipers, tyre tread and suspension. Finally, qualified technicians will analyse the exhaust and steering system, test seat belt clasps and ensure all lights are fully functioning.

Following the VHC inspection, drivers will be provided with a report. Outlining any essential servicing and repair work that needs to be undertaken on the day, this document will advise any components that require attention in the near future.

Matthew Cheyne, Head of Sales and Marketing at MG Motor UK, commented: ‘The safety of MG drivers is paramount, which is why we’re offering free vehicle health checks at dealerships nationwide. We all know that driving in winter can sometimes be a little more challenging, so it’s important your car is ready to head out on the road.

A recent study by the Institute of Advanced Motorists found that in autumn and winter, drivers are 11% more likely to have a car accident due to road conditions than in spring or summer. Indeed, a third of all accidents in colder months can be directly attributed to the road environment, or weather related issues. Furthermore, research from the Department of Transport Road Accident Statistics found that the number of accidents caused by wet road conditions increase by 267% in winter.

To find out more information about the MG vehicle health check, or find your nearest dealer, visit www.mg.co.uk/dealers.

SOUTH WEST PENINSULA LEAGUE – DIVISION ONE (E)

AFTER a weekend off due to the county cup walkover win, Axminster Town return to league action next Saturday with the visit of title contenders NEWTON ABBOTT (3pm).

Devon Premier Cup

BEER ALBION 3 EAST ALLINGTON 7
AFTER a great display the previous week against Exmouth Amateurs, the Fishermen came down to earth with a bang, serving up an abject display against a good, but not outstanding, East Allington side writes Richard Honnor.

The Fishermen were without injured keeper Mark Rooke while centre backs Andrew Foster and Pat Baldwin were unavailable and player-manager Richard Walker who rested himself.

The game started quietly but the visitors took the lead in the 24th minute when Ben Robey hit an unstoppable 25 yarder past keeper Mike Westlake.

Five minutes later, the Fishermen conceded an unnecessary foul on the edge of the box and Tom Rowden's low strike evaded the defensive wall to make it 2-0.

The East Allington forwards were now carving through the Beer defence at will and hit the woodwork.

But in a rare attack on 39 minutes the Fishermen clawed their way back into the match. Clode provided a neat lay-off to Simon Smith who finished clinically from 15 yards.

But Beer's momentum was interrupted by a long stoppage after full back Josh Harrison suffered a serious knee injury and had to be stretchered off and was later taken to hospital.

When the game restarted Beer went 3-1 down when Robey's shot was deflected into his own net by Chris Long.

The Fishermen started the second period totally lacking in confidence, and went further behind on 55 minutes when a free kick put away by Simon Hannaford.

Three minutes later it was 5-1 when Rowden scored his second and the visitors added a sixth on 70 minutes when an innocuous-looking free kick from Andy Davies squeezed in at the near post.

There was a glimmer of hope for Beer when a five-minute spell brought two goals to reduce the arrears to 6-3.

First a miscued shot from Luke Morrison trickled over the line on 75 minutes and then on 80 minutes Long's shot was deflected in by Andy Hunt.

Any hopes of extra time were quickly dispelled two minutes later when Robey completed his hat-trick with a simple side-foot past Westlake.

Match Sponsor East Devon Physiotherapy at Sidford awarded man-of-the-match to East Allington's Robey and Beer's best player on the day was Simon Smith.

MILLWEY RISE 1 ALPHINGTON 3RD 2

D&E Division Five

IN A lacklustre first half neither side had a worthwhile strike on goal writes Dick Sturch.

Unfortunately for Millwey Levi Hoole had to leave the field in the 15th minute with a serious knee injury and may now be unavailable for several weeks.

This, together with Tyler Warren being suspended, left them without a recognised striker. Frazer Beament was brought on to replace Hoole and the team was re-jigged.

The second half produced far more scoring opportunities for both teams. Minutes after the re-start the home side missed a great opportunity and paid the penalty a few minutes later when an unmarked Alphington forward tapped the ball into the net.

However, this was cancelled out with a fantastic 25-yarder from Sam Turner that flew past the goalkeeper who never moved.

From here on in both sides had clear-cut opportunities, especially Millwey, who once again paid the penalty for their misses.

The winner came when a free kick was fired in and found the foot of an Alphington forward who steered it past keeper Nathan Hoole.

For Millwey, Nathan Wormsley, who took over the striker's role worked hard to find an equaliser with several shots going close.

Zak Meaker made some timely interceptions in the middle of the defence and keeper Hoole made some important saves to keep his side in with a chance.

Alphington included several players from their senior sides which certainly assisted their victory.

UPOTTERY RESERVES 5

NEWTON POPPLEFORD RESERVES 1

D&E Division Eight

HOSTS Upottery started well and, after Brad Morris got on with an end of a lovely cross from Philip Derryman, found themselves ahead just 10 minutes played.

Jay Williams then netted from the penalty spot after being brought down in the area and the game seemed to settle, with chances for both teams.

Shortly before half time Newtown Pop scored but within minutes Philip Derryman hit a 30-yard strike, bringing the half-time score to 3-1.

The second half was a bit of a stalemate but Williams struck a 35-yard free kick which gave the visiting keeper no chance.

MoM Williams went on to complete his hat-trick to round off a 5-1 win, while midfielder Oly Cramer worked really hard.

EXMOUTH AMATEURS 3RD 0

MILLWEY RISE RESERVES 2

D&E Division Nine

MILLWEY Reserves maintained their current momentum with another victory and another clean sheet.

Although it was a scrappy game Mark Pike gave them the lead going into half time. In the last few minutes Henry Mitchell made the game safe.

Dave Bridges had a great game. His work rate and use of the ball was a big factor in Millwey's victory.

Round-up

NEWTOWN made it nine wins from nine in the Premier as they emerged 2-1 victors at TOPSHAM TOWN. Dan Gill and Ben Howard netted for Town, before Jamie Vaughan-Ryall gave Topsham heart.

HONITON TOWN underlined their ambition to become champions for the first time as they swept aside bottom-of-the-table BOW AAC 8-2. Joe Dixon bagged a hat-trick for the Hippos with Joe Mulhall, Jack Knight, Tom Perryman, Matt Long and Lewis Couch also on target.

A last-minute own goal rescued OKEHAMPTON ARGYLE at SEATON TOWN after they had been two down. Redd Cann gave the Okes hope with a 25-yarder before Seaton caved in at the end.

UPOTTERY pulled off a superb 3-0 victory at HATHERLEIGH TOWN, and EXMOUTH AMATEURS won 2-1 against FENITON after being forced to switch the match to Withercombe Common. Phil Everett was the Fenny scorer.

Devon Senior Cup Cup holders EXETER UNIVERSITY despatched AXMINSTER TOWN 7-0, and are looking good for another crack at the trophy.

WITHERIDGE pulled off a surprise 3-1 win at home to SIDMOUTH TOWN.

COLYTON went through 5-4 on penalties after drawing 1-1 with EXMOUTH TOWN. Matt Williams netted the Coly equaliser in the 85th minute after Exmouth had a player sent off ten minutes earlier.

The cup meant that only one game was played in Division One and LYME REGIS went to town at BICKLEIGH winning 7-1. Kieren White led the goal parade with a hat-trick with Rhys Hayter (2), Chris Herbst and Lee Cleal sharing the others.

AXMOUTH UNITED improved their low placement, winning 4-2 at BUDLEIGH SALTERTON with Matt Ellis scoring twice. Charlie Cross and Theo Hill also netted.

The heavy guns in Division Three all had a good day. Leaders EXETER UNIVERSITY accounted for EXMOUTH AMATEURS 3-0, BAMPOTON blew TEDBURN ST MARY away 7-1, EAST BUDLEIGH hit CLYST VALLEY for six without reply.

Not to be outdone, PERRY STREET won 8-0 at CULM UNITED with Dan Collins and Tom Perry both bagging hat-tricks.

Meanwhile, Jack De Winton scored for HONITON TOWN in a 3-1 reverse at NEWTON POPPLEFORD.

TIVVY PARK came out on top 2-1 in the Division Six visit by LYME REGIS. Ryan Fifer netted for the Seasidees whose Ally Rattenbury missed a late penalty.

Down in Division Eight an Adam Cowling hat-trick and a double from first teamer Tony Pinder saw AXMINSTER TOWN

3rds win 5-1 at SEVEN STARS.

Finally, Ryan Pike (3), Karl Allen (2), Dylan Cody and Jamie Beck scored in HONITON TOWN 3rds' 7-2 Division Nine win over Central.

HAWKCHURCH United's hopes of progressing to the last 16 of the Devon Intermediate Cup ended in defeat in the long trip at Bishopsteignton.

A Glenn Harding shot that struck the crossbar was the closest that the Hawks came: "We were without Gavin Herrod and James Melville who are our leading scorers, but saying that we didn't create many chances so not sure if they would have made the difference," said manager Martin Bright.

Back in the league, and FARWAY UNITED remain joint top of Division Two after leading all the way before winning 5-4 at Crewkerne Rangers.

Jack Murrell and Billy Reed both scored twice with Fabio Souza also on target for the visitors who felt they should have double figures.

Down in Division Three FARWAY RESERVES dropped down into the bottom tow after going down 3-2 at home against Ilminster Town A. Jacob Murphy scored both for the hosts.

Exeter League Cup

THE newly formed Otters defence consisting of Tom Bennett, Finlay Giles and Sam Gleeson remained calm, settled and ultimately took control of the game.

Midway through the first half the Otters broke the deadlock with a stunning strike from Shaw Browning.

On the stroke of half time a goalmouth scramble in front of the Otters goal lead to a highly contentious penalty which was dispatched to bring the hosts level.

The second half brought much of the same with both teams pressing for the winner. It finally arrived with a wonder strike from Jake Blackmore.

Otters: Jack Hembrow, Tom Bennett, Sam Gleeson, Finlay Giles, Jake Blackmore, Jack Carpenter, Shaw Browning, Freddie Clarke, Ben Briar, Zach Wilkinson.

Signs hit by injury
as Chicks go top

WITH Hi Q not playing this week it presented a chance for Sidmouth Toucan Chicks to go top if they could beat Signs South West.

The game started well for both teams in an even contest but SSW were reduced to six players during the game due to injury and the Chicks, with Flora Hastie once again turning in a good performance, took advantage to record a 48-37 win despite fine resistance from Georgie Moss.

The other game saw Otters beat Hawks 36-4. Star of the show for Otters was Vicky Carnall with Naomi Cook playing well for Hawks.

There was a full fixture list in **Division Two** with unbeaten Toucans playing against unbeaten Blackdown. Blackdown came

out on top 35-25. It was a game for Rachels to shine; Darlani for Sidmouth and Clapbury for Blackdown.

Tip Top Trees held onto second place thanks to their 31-17 win over Pixies. Jenny Kelly was the 3Ts star and Georgia Selley the pick for Pixies.

Otter Valley held onto 4th place thanks to their big 36-4 win over Swagmamas. With Catherine Phillips playing well, the Valley were too strong for the Mamas despite good work from Karen Bennett.

The final game of the evening saw JD Tyres pick up their second win of the campaign with a 36-8 victory over Beer Blazers. Jenny Bryant played well for JD while Frankie Hefferman turned in a good display for the Blazers.

swimming chard & district club

Debut swims show much promise

CHARD & District Swimming Club recently held their second Preliminaries Gala of the year recently writes Xanthe Dyer.

This gala was for the Club's newest and younger junior swimmers (13 and under) to experience competitive swimming in a friendly, relaxed atmosphere.

The competitors, many of whom had never competed in a Gala before, swam 50m (two lengths) of each stroke, and there were over 40 personal best times across the 36 swimmers.

All received certificates with their times

from each event presented by Head Coach June Turner to; Henry Birchall, William Birchall, Harry Byrnes, Darcie Cockburn, Oliver Collins, Finlay Downes, Kaitlyn Flannigan, Matt Frewin, Isabel Glazebrook, Manon Heard, Delilah Hutter, Alara Jenkin, Finley Jenkin, Harrison Larcombe, Charlotte Mansfield, Rosie Parriss, Ferdie Parry-Leyshon, Louis Parry-Leyshon, Noah Peters, Eleanor Poole, Harrison Porter, Tatyana Pushkarev, Rebecca Randolph, Suzie Rood, Daisy Russell, Marcie Russell, Lola Saxby, Edward Sims, Lily Sims, Jamie Slater, Joshua Stansfield, Dylan Suter, Aeron Tol-

lett, Willow Voysey, Cerys Williams and Isabella Young.

The timing and marshalling was undertaken by several older swimmers who are, or will be, taking part in the ASA Young Volunteers Programme, these were; Ben Greenslade, Henry Taswell, Xanthe Dyer, Joss Copeman, Jess Fowler, Megan Herbert, Abbie Herbert, Briana Barrand and Millie Downes.

Chard Swimming Club is always welcoming new swimmers, to find out more about the club or how to join, visit chardswimming.org.uk

◆ **YOUNG STARS:** Some of the Chard & District Swimming Club's younger members enjoyed their 2nd Preliminary Gala.

Ilminster angling

Quartet of Chub

VERY wintry conditions greeted the eight Ilminster AA members fishing round three of the V.E.S. Precision league on a very low and clear River Isle on Sunday.

Once again the leading weights were very good, although quite a few anglers struggled for bites.

Karl Aplin did really well to catch four big chub on the lead and maggot from peg 108 at Redbridge, he weighed 13lb 12oz for a comfortable victory and as his was a golden peg he took home a nice bonus too!

Adie Bishop continued his good run of form with 8lb 14oz of roach, dace and chublets on the pole and caster from peg 129 at Isle Brewers and Graham Field was third with a similar net weighing 8lb 3oz from peg 128.

1st Karl Aplin (Ilminster) – 13lb 12oz, 2nd Adie Bishop (Taunton) – 8lb 14oz, 3rd Graham Field (Taunton) – 8lb 3oz.

The next round of the Royal Oak League is on Sunday, November 13th and the draw is at the pub between 8.30 and 9am.

Golfers battle through mist

HONITON *with John Pawley*

THE occasional misty conditions did not unduly affect the Tuesday Mixed group as they played one of their toughest competitions.

The alternate shot format requires the man to tee off on the first, and then the pair take alternate shots – for the rest of the round.

The pair who coped best were Sue Kelson & Cyril Dann who achieved a very commendable score of 70. In second place were Di Wall & Max Pipe with 74 followed by Maureen Tollmach & Paul Ritchie with 76.

The Ladies played their November medal in damp conditions and a low sun. Some good scores were achieved, notably the 72 of Jane Watts who won Silver Division and the competition. Sue Ritchie (74) was next followed by the 78 of Elizabeth Ward.

Bronze 1 winner was Cathy Uttley (76) followed by Anne Davies (77) and Diana Gee (78).

Winner of Bronze 2 was Cherry Liell (76), Linda McLaughlin (82) was next, and third was Vera Richardson (94). Winner of the nine-hole Stableford was Linda Northover with 14 points.

Around 60 seniors fought through the intermittent rain that was dished out at Honiton on Fri-

day. Their other challenge was a 3BBB Stableford competition, playing off ¾ of their handicap, with two scores to count.

The winners were Jim Wallis, Rod Armitage & John Pawley with 78 points. Next were Pat Purtell, Ron E Jones & Dave Morgan 69 followed by Paul Ritchie, John Bevan & Bob Cockett on 67 with John Fleetwood, Bill Spice & Ted Chandler fourth with 66, using the count-back procedure.

Seven players got a 2 on the second hole – Jim Wallis, John Pawley, Pat Purtell, Steve Butcher, John Frith, Mike Stroud and John Chew – and all received six new balls.

AXE CLIFF *with Peter Motson*

THE club played their Millennium Trophy in Texas Scramble, medal format, result; 1st, was Jim Whiting, Ian Burraston, Alex Palmer & Helen Gaudie with a net 55.6.

In 2nd place were Mike Cottam, Richard Orsman, Rob Grove & Janet Dack net 58.9 and in 3rd with net 59.3 were Alan Kenworthy, Daryl Jones, Chris Alexander & Dave Steele.

The LADIES SECTION played their Children in Need competition, with donations to the Charity raising £70. The format was teams of three with a yellow ball, each lady

took it in turn to have the yellow ball and the yellow ball scored each hole with the best of the remaining scores to count.

If the yellow ball was lost only one score counted for the rest of the round.

Only one group of the five competing groups managed to complete the round with their yellow ball.

The winning score was 72 points scored by Helen Gaudie, Anne Jarvis & Caroline Bond, on a count-back. In 2nd place were Margaret Kenchington, Bee Sammons & Janet Dack and in 3rd with 67 were Sandra Walker, Di Rogers & Barbara Cummings.

The SENIORS SECTION played their November Medal competition which resulted in a good win for Gilbert Cox (hc 20) with a net score of 70.

In 2nd place was Adrian Bishop (hc 23) with a net 72. 3rd place went to Neil Moorcraft (hc 18) with a net 73 and Tony Strong (hc 6) also scored a net 73 but was placed 4th on countback.

The only player to score a 2 was old stalwart Norman Bowles.

FORTY six members of the senior section took part in a 4Ball better

ball competition last Monday.

In favourable conditions, the 23 teams took advantage of the friendly course and scores of in excess of 40 were prevalent.

Result: 1st Bryan Frost & John Pearce 43 points, 2nd Barrie Heath & Bert Robinson 42, 3rd Nobby Hodder & James Siabi 42.

Last Wednesday 54 members formed 18 teams to play a Bowmaker competition with two scores out of the three to count.

Keith Branchflower led his team home by a single point, mainly due to his birdie 2 on the 16th.

Result: 1st Keith Branchflower; Roger Stone & John McOmish 81 points, 2nd Danny Dowell; Bob Barrow & Alan Chance 80, 3rd Stuart Forbes; Dave Walgrove & Tony Stenhouse 80, 4th Bert Robinson; Norman Markby & Richard Forster 76.

Meanwhile, 25 pairs entered the Canadian Greensomes competition on Friday.

The mist and persistent rain hindered the golfers with several teams failing to complete the course. Those that did, generally returned poor scores as conditions deteriorated.

Result: 1st Chris Gingell & Des Denning 39 points, 2nd George Wallace & Phil Dewar 38, 3rd Frank Martin & Chris Basterfield 36.

The newcomers to the league remain at the foot of the tables, but it is usual for teams to struggle for the first few games and a possible modification of their players ranking could see them move up the table.

Team prize for Axe Valley Runners at Drogo

AXE VALLEY RUNNERS

with Chris O'Keefe

GARRY Perratt returned to racing at the KILLERTON PARKRUN on Sunday, finishing the off-road, undulating 5K in 18:58, 10th overall and first M50.

The Teign valley was looking gorgeous on Sunday morning as runners from all over the county and beyond arrived at CASTLE DROGO for the annual 10 mile cross-country.

The course was in good condition with firm ground making for fast times.

A team of 11 Axe Valley Runners completed the course, with honours going to Jake Smith who put in an exceptional performance to take victory and relegate Ceri Rees, a previous winner, to second with a time of 58.44.

With Patrick Devine-Wright and Matt Clist working well together to finish 7th and 8th with times of 1.05.52 and 1.06.26 respectively, the men also took the team prize, with Eleanor Wood finishing 5th female, first vet 55 in a time of 1.25.32 and Patrick Devine-Wright taking the first vet 45 prize.

Other axe valley performances where; Terry Emmett 16th 1.10.18, Mike Clark 64th 1.22.14, Matt Hower 69th 1.23.11, Tim Sibley 75th 1.23.47, Steve Haines 119th 1.30.04, Kelly Stamp 181st 1.40.09, Anders Larsson 191st 1.42.37.

CHARD ROAD RUNNERS

with Paul Masters

WITH the weather taking a turn for the worse

CRR's headed off to both WESTON-SUPER-MARE and MEONSTOKE Village on the South Downs

Heading off to the The Grand Pier WSM were Matt Baker, Colin Boarder and Adrian Male for the 580-strong flat two-lap half-marathon.

Male crossed the line in 118th/580 1h 43m 43s, next to cross in a PB was Baker in 350th 2h 01m 16s, while Boarder was in 392nd in a time of 2h 05m 40s

Paul Masters travelled to Meonstoke near Petersfield for a trail marathon which was 70 per cent trail and had over 1000 meters of incline, he crossed the line in 83rd/149 in 4h 57m 23s.

Key positions vacant, but improvement continues

Chard 22 Matson 33

South West Div 1

ANOTHER defeat for Chard, but there were definite signs of improvement in this performance from the very young and inexperienced team home team with the bonus point for scoring four tries providing some consolation.

Matson started off very strongly and pinned Chard in their own 22metre but with some outstanding defensive play Chard managed to just about keep them out and sur-

vive the onslaught.

Matson missed a penalty before Chard slowly began to gain momentum.

The visitors began to struggle and, following several infringements close to their line as they attempted to stop Chard scoring, it was no real surprise when the referee lost patience and awarded a penalty try.

Skipper Ryan Helliar, again having to play out of position at fly half, stepped up to add the conversion.

Just as Chard were getting

into their stride things turned as they lost possession and the sharp Matson backs counter attacked for a converted try which levelled up the scores.

Later in the half to scored a second converted try to lead 7-14 at the break.

Matson generally always looked the stronger outfit and increased their lead with an unconverted try immediately after the interval.

Chard got themselves back into things when scrum half Ben Johnson forced his way over for

an unconverted try.

Matson scored two converted tries midway through the second half to lead 33-12, but Chard did not capitulate, and in the final 10 minutes played some terrific rugby which resulted in two tries. The first was due reward for the forwards with Will Hopkinson crossing over.

The architect of the second try was full back Ben Stead who was having an excellent game and set up the fourth and bonus point try for Billy Biss.

Chard went in to this game

with several players having to play out of position and with no front line kicker so they deserve credit for showing such resilience.

Chard will always find life difficult in this league however well they play if they are not able to find players for some of the real key positions. Easy to say of course, but not so easy to implement.

Never the less an encouraging display and 100 percent effort from the team.

Next Saturday Chard are away

at fellow strugglers Midsomer Norton (2.15pm ko).

Result: Somerset Two South - Yeovil 2nd xv 24 Chard 2nd xv 17

Next Saturday Chard 2nd xv are at home to Wiveliscombe 2nd xv (2.30pm ko).

Chard 3rds had a walkover win against North Petherton who were unable to raise a team. Next Saturday Chard 3rd xv are away at Frome 3rds.
